Adult Therapy Services

ISP & Service Summary Development

Adult Therapy Services: Policy

Special Eligibility Conditions

- Adult Therapy Services are not available until the waiver individual's 21st birthday
- The need for Adult Therapy Services must be reflected in the Intake and Evaluation Team approved Individual Service Plan (ISP).
- There is a reasonable expectation by the licensed professional that the individual can achieve the goals in the necessary time frame.
- All services must be ordered by a physician.

Adult Therapy Services: Summary Service Amount

Key Tips

- For 'Evaluations' services, authorize **2** units.
- Therapy Services are calculated in IDD Connects using the lowest rate within each "bundle". As a result, it may be necessary to authorize additional funding to ensure full reimbursement by the rendering providers.
- The annual maximum for all Adult Therapy services combined is \$5,400.
- Please review Appendix A in Part III of the NOW & COMP Waiver manuals for all rates and service limits.
